### OPIS PRODUKTU

This Barco XLD Long Throw Lens is designed for use with the Barco DP2K-19B, DP2K-23B, DP2K-32B, HDQ-2K40, and the HDQ-4K35 projectors. It provides a 1.49 to 2.05:1 throw ratio at 2K resolution, and a 1.35 to 1.86:1 throw ratio at 4K resolution, allowing for additional zoom capabilities. As a long throw lens, it is designed for use when the projector is far from the screen.
