OPIS PRODUKTU

This High Definition camera is supplied as standard with the Sony PCS-XG80 and PCS-XG55 video conferencing systems.

BrightFace technology by Sony ensures crisp, clear HD image quality in any lighting conditions – even dimly lit rooms or with strong backlighting from a sunny window.

The camera's powerful 10x optical zoom range extends as high as 40x with digital zoom, for wide-angle shots of the whole room or frame-filling close-ups of individual participants.
